 Burton and Uttoxeter Constituency

LIBERAL DEMOCRATS

A FAIR DEAL

for our economy

- ◆ Help people with the cost of living and their energy bills by implementing a proper, one-off windfall tax on the super-profits of oil and gas producers and traders.
- ◆ Make taxes fair, ensuring that tax burdens don't fall disproportionately on low earners.
- ◆ Invest in infrastructure, innovation and skills to create good jobs and in every UK region and nation.
- ◆ Abolish the separate Capital Gains tax-free allowance, to tax income from wealth more similarly to income from work.
- ◆ Safeguard the UK's economic prosperity while making the investments our country needs.

LIBERAL DEMOCRATS

A FAIR DEAL

for our environment

- ◆ Ban bonuses for water bosses until discharges and leaks end.
- ◆ Transform water companies into public benefit companies.
- ◆ Replace OFWAT with a tough new regulator with new powers to prevent sewage dumps.
- ◆ Provide more funding to the Environment Agency and Natural England.
- ◆ Double the size of the UK protected nature sites.

LIBERAL DEMOCRATS

A FAIR DEAL

for our NHS

- ◆ Give everyone the right to see their GP within seven days, or within 24 hours if they urgently need to. We all know how hard it is to see a GP here in the Burton area.
- ◆ Reform NHS dentistry so that no one is forced to pay hundreds of pounds for private care.
- ◆ Finally put mental health on the same footing as physical health.
- ◆ Invest in public health and prevention so that fewer people get ill and need treatment.
- ◆ Recruit, train, and retain more doctors and nurses to fill the thousands of vacancies in the NHS, and cut waiting times.
- ◆ Fix the life-threatening crisis in our ambulance services and provide emergency funding to tackle poor response times.
